Introduction to Health Policy | OER Commons
https://www.oercommons.org/courses/introduction-to-health-policy
Introduces the material covered in the Department of Health Policy and Management. Focuses on four substantive areas that form the analytic basis for many of the issues in Health Policy and Management. The areas are: (1) economics and financing, (2) need and demand, (3) politics/ethics/law, and (4) quality/effectiveness ...

Health Informatics Terminologies: an Introduction Transcript | OER ...
https://www.oercommons.org/courses/health-informatics-terminologies-an-introduction-t...
This Health Informatics Building Block module begins with pointing out the objectives of the lesson, starting with defining what health informatics is and discussing its applications with different information communication terminologies. Then it briefly looks at the different types of common health Informatics terminologies.
