POLICY: Electronic Devices

1. All electronic devices utilized by students will be kept on silence during classroom or lab time activities.
2. No cell phones or electronic devices of any kind will be allowed on your person during an exam or test review. Students violating this policy will receive a “0” for the test and/or failure for the course.
3. Students may not carry a cellphone, iWatch, Fitbit, or similar electronic device in the clinical facility.
4. Only approved electronic devices such as iPads, Kindles, etc. will be allowed in the clinical setting for clinically related reasons. These devices must be approved with your course coordinator. If the electronic device is not approved by your course coordinator prior to the start of clinical, the student will receive a clinical unsatisfactory for that day and until the device is approved. Three (3) “U’s” in any one objective are grounds for immediate termination from the currently enrolled nursing course, regardless of theory grade, due to failure to meet required clinical/course objectives and will result in inability to progress within the nursing program.
5. No photographs, text messages, or audio/videos are allowed in or on any part of the clinical facility.
6. For emergency situations, provide your emergency contact with a number for the clinical unit/location and the nursing suite.
7. Violation of this policy may result in course failure and/or dismissal from the nursing program.
